Subject: Skate Park

Body Hello, my Name is Angela Hall. I am not good at this, but here it goes. I walk my dog everyday at the spray park across the the from the Blackburn park. Its a beautiful park with the water park for kids, soccer fields and baseball field. I saw in the paper that you have 6million for improvements in town. There is a huge field between the ball diamonds and soccer fields. I was thinking it would be the perfect spot for a outdoor skating rink. A round skate rink with a fire in the center. With picnic tables around that I am sure in the winter months it would be a popular site. It has the snack shack there for hot chocolate and other goodies. In the summer it could be for roller skating. Just an idea. Its a perfect location and a huge lot. Thank You For your time
