The South Canoe trails were spoken for on Sunday by the more than 700 riders competing in this year's Salty Dog Enduro.

Hosted by the Shuswap Cycling Club, the Sunday, May 11 event saw riders largely from throughout B.C. and Alberta take part in either the gruelling 6.5-hour solo or team event, or race in the 3.5-hour U15 team event. For the younger riders there was the shorter Salty Pup loop.
