SACP 2024 Grant-in-Aid Request

We thank the Mayor and Council for past endorsement and respectfully request Salmon Arm City Council for the grant-aid for the coming year. Due to the weather this year we have not been able to do all we usually do.

Without prejudice and in consideration of fiscal constraints and our subsequent reduced operating costs, for the coming year we are requesting a reduced sum of \$3,000.00 rather than the normal request of \$5,000.00.

With the smoke clearing we are getting back into our regular shifts, and working on Speed Watch for the schools in Salmon Arm also request from the RCMP and City Hall for high-speed areas.

We also volunteer at most Community Events.

We thank you once again for your endorsement.

Sincerely,

Paula Weir

RE: Salmon Arm Citizen's Patrol Funding – Grant in Aid Request

The Salmon Arm Citizen's Patrol continues to be an active volunteer group that supports a number of community events in the community of Salmon Arm. The group is made up entirely of volunteer members who donate their time in the community.

When fully active they provide proactive patrols within the community and it is through their efforts that programs like Speed Watch, Lock-Out Auto Crime, and the ICBC Stolen Auto Recovery program exist and are such a success. Additionally, when called upon they are a visible deterrent in targeted areas to prevent property crime and contribute to safer traffic flow. In instances of a civil emergency the community relies heavily on police and community resources. The Salmon Arm Citizens Patrol members are a community resource that can assist as part of the Shuswap Emergency Program.

In short, they are a dedicated volunteer group that supports the community, the RCMP and other critical programs. I would like to support the Salmon Arm Citizen's Patrol in their request for financial support for the upcoming fiscal year of 2024 as per their attached letter.

Sincerely,

S/Sgt. Scott West
