Title: Manager of Planning and Building – Amendments to Ticket Utilization Bylaw No. 2760 (Zoning Bylaw)

Date: June 9, 2025

Motion for Consideration:

THAT: the bylaw entitled City of Salmon Arm Ticket Information Utilization Amendment Bylaw No. 4731 be read a first, second and third time.

Background:

Since 2023 there have been a number of amendments to Zoning Bylaw No. 2303 which have resulted in numerous changes to sections and zone titles. The proposed bylaw is a housekeeping amendment that seeks to align the sections of the revised Zoning Bylaw with that of the Ticket Information Utilization Bylaw No. 2760.

The Ticket Information Utilization Bylaw No. 2760 is the means by which bylaw enforcement exercises the City's authority to ticket for violations of enacted bylaws. The sections of the Ticket Information Utilization Bylaw No. 2303 must align with those sections in Zoning Bylaw No. 2303 for a ticket to be issued in the case of a bylaw infraction.
