To whom it may concern,

This letter is to confirm that we would like to rezone our property to allow for a 5 acre lot subdivision in the near future.

I understand it is in the OCP to allow for this change and many of our neighbours have already done so or are in the process of doing so.

We are not certain exactly what the shape of that parcel will be at this point in time we just wanted to start the process while we have access to the help and knowledge of Mr Nyland.

We are now in our 50's and are beginning to plan for retirement and the 26 acres is A LOT of work and would like to remain here with more time to ourselves and less time maintaining such a large property.

Thank you for your attention to this matter.

Kindest Regards,

Simon and Tonya Larvin
